**Industry Partner Member Class** – Any other persons, businesses or entities with an interest in the objectives of NZPPI, an interest in working with members of NZPPI and/or are part of the plant producer supply chain – for example NGINZ **retail and supplier** members, landscapers, other businesses who supply industry members. Relevant turnover is defined as gross income derived from the sale of plants produced in New Zealand inclusive of all charges, excluding royalties and GST, that a purchaser would pay. Where a member supplies plants to another part of their business, relevant turnover is the wholesale value of gross income supported by an identifiable and discrete transfer value. Minimum fee \$350+GST.

**Industry Partners** – fees are based upon turnover bands for nursery and garden industry products and services.

- < \$ 1 million                      \$ 350 plus GST
- < \$ 5 million                        \$ 700
- < \$ 15 million                      \$ 2,500
- < \$ 30 million                      \$ 5,000
- > \$ 30 million                      \$ 10,000

To protect confidentiality, membership fees are paid to an Independent Subscription Agent (ISA). All fees are plus GST. Please do not send payment with this form. Upon processing your membership transition we will send you a form for completion and sending on to the ISA complete.
