

# GENERATION CHANGE

*Young women, bringing purpose to food & fibre*

The primary sector of the future will be a place for collaborators, innovators and Kaitiaki for our land, water and wildlife. It will need people driven by purpose who bring their true selves to the sector. **People like you.**

**Generation Change is a one-day workshop and mentoring programme preparing young women to make impact in food & fibre.**

## AT GENERATION CHANGE

**Reflect** – Connect with your personal values, strengths and purpose.

**Plan** – Define what makes work meaningful for you and design an action plan to realise it.

**Be inspired** – Learn about impact from food and fibre leaders.

**Connect** – Cultivate your network and connect with your mentor.

## PROGRAMME DETAILS

- Generation Change is for young women in tertiary study, training or the first two years of a career.
- \$50.00 (incl GST), lunch and refreshments included.
- Events are limited to 100 participants.

**Christchurch, May 30 2023**  
**Hamilton, July 27 2023**
